

Waterbury Tank Removal worksheet

Use one sheet for the same job. Keep exclusions beside the price.

1. Gather the details

- ☐ Waterbury-area property ZIP and indoor, outdoor or buried tank location

- ☐ Known tank capacity, condition and available installation records

- ☐ Fuel remaining if known and the existing heating-service arrangement

- ☐ Door, stair or excavation access and nearby surfaces

- ☐ Removal or replacement preference and any property-sale deadline

2. Compare two written proposals

Question to confirm	Quote A / business	Quote B / business
Assessment What tank and site assessment is included?		
Fuel and removal Who handles residual fuel, removal and disposal?		
Approvals Who handles local permits and inspection coordination?		
Unexpected conditions How are leaks or contamination handled and charged?		
Completion What restoration and final records are included?		
Total + exclusions / extra charges
